

March 2019 Update

This past month has seen my profile grow by an average of 0.88%. This growth is smaller than anticipated, however February is a shorter month, which can affect payments. This month my highest returns came from [Crowdestor](#) (1.35%), [Envestio](#) (1.33%) and [Grupeer](#) (1.22%).

Grupeer - 1% cashback on all new loan originators announced

[Grupeer](#) has announced a 1% cashback offer on all loans issued by new loan originators, listed on the platform. The announcement comes after Grupeer has welcomed DoZarplati, a new loan originator from Russia. The cashback is apart of the "Warm Grupeer Welcome", which will last for 7 days after a loan originator joins the Grupeer platform. Grupeer currently offers an ...
