

April 2019 Update

In March my P2P profile grew by an average of 0.86%. This month my highest returns were through Bondora (1.88%), Envestio (1.36%) and Fast Invest (1.22%). There were no surprises this month. Everything seems to be ticking along nicely. [Read more](#)

Grupeer Introduces Collateral Loan Protection

Grupeer has introduced a new type of protection to their loans - collateral loan protection. Collateral loan protection means that a loan is fully covered by property or other assets that a borrower offers for security. In addition to the buyback guarantee, this new security protects the loan (and your investment). Look for loans with an umbrella. [Read more](#)
